Decision Making in a Fast-Changing World - A Focus on the Decision Maker

## DECISION MAKING IN A FAST CHANGING WORLD A Focus On The Decision Maker

**Call for Content | 1 Day In-Person Decision Quality Conference**

**HURRY - Submission Deadline: July 19, 2024**

**Event Date: November 20, 2024**

**Location: Houston, TX**

The **Society of Decision Professionals** Houston Chapter is seeking content for our 2024 Decision Quality Energy Summit. We invite innovative contributions from Business Leaders, Academics, Consultants, Data Scientists, Technology Experts, Government Officials, Legal Experts, and Young Professionals. This conference provides a platform to showcase mastery of decision science, where participants share their decision-making journeys, evaluating options and demonstrating unique thought processes. BE PART OF THIS OPPORTUNITY and share your insights, research, and experiences with a diverse audience of decision-making enthusiasts and professionals.

We are looking for submissions that highlight what leaders in different roles find most important when they make their decisions - *The Voice of the Decision Maker*. \*Ideally submissions would fit into the below categories (and we are open for other suggestions as well):

### **Executive Panel - "A view from Decision Makers in a Fast-Changing World"**

Example:

- Decision Making at the Executive Level (C-Suite)

### **Decision Quality in Opportunity Generation**

Example:

- How Do You Relate the Risks & Rewards of a Decision to a Project Manager?

### **Decision Quality in Project Execution / Operations**

Examples:

- Decision Making During Project Execution
- Pivoting During Decision Making
- DQ in Refining | The Role in Operational Decision Making

### **Decision Quality Future Directions**

Examples:

- Sustainability | The Dilemmas of Decision Making
- New Energy (Technology, Demand, Materials, Regularity, Supply Chain)
- Decision Making in Entrepreneurship and Innovation in H-Town!

## **Submission Guidelines:**

**Abstract:** Provide a concise summary of content area that you would find interesting OR your proposed content (max. 300 words) - \*Reference one of the many category options above or you may submit your own

**Format:** Indicate whether your submission is for a talk, workshop, panel discussion, or \*poster presentation (\*we especially encourage our younger and those new to the profession to consider submitting a poster).

**Bio:** If your proposal is for content that you would deliver, include a brief biography (max. 150 words) and a high-resolution headshot.

### **Important Dates:**

Submission Deadline: July 19, 2024

Notification of Acceptance: August 1, 2024

## **How to Submit:**

Please submit your proposal to email: [sdpevents@decisionprofessionals.com](mailto:sdpevents@decisionprofessionals.com)

For any inquiries, contact our content team at [dswift@kca-us.com](mailto:dswift@kca-us.com)

**Join us in shaping the future of Decision Making and be part of an inspiring event that brings together the brightest minds in the field. We look forward to your submissions!**

Best regards,

The Decision Quality Energy Summit Conference 2024 Team
